Ch 151.1

Phoenix Coffin

On the official road, two simple pure black carriages galloped forward at high speed. The carriages were followed closely by several horses. Even though they were all dressed as commoners, their stern aura and vigorous bodies still displayed how extraordinary this group of people were.

"You....."

"You....."

Shang Jun and Qin Xiu Zhi looked at each other and smiled awkwardly.

"You speak first."

"You speak first."

Once again, they both spoke in unison. Since the last confession made by Xiu Zhi, they always were awkward whenever they met or talked. Shang Jun casually lifted the bamboo curtain and looked at the green woods outside the carriage. In fact, He didn't dare to look into Xiu Zhi's deep and gentle eyes and regretted not letting Xiao Er follow him. If she was here, at least it wouldn't be so embarrassing and his heart wouldn't beat so fast!

As he stared out the window, several whip scars could be seen from his neck to his cheeks, leaving traces on his beautiful face. But he was still him, cold and elegant, and his beauty was never about appearance. Qin Xiu Zhi looked a little out of himself, until Shang Jun coughed uncomfortably, causing Qin Xiu Zhi to come back to his senses.

What was wrong with him? When he was in Hai Cheng City, didn't he decide not to bother Shang Jun with such feelings anymore? Looking back, Qin Xiu Zhi said in a low voice, "I'd better get out of the carriage, it's more comfortable to lie down with your injury."

"Wait a minute." When he heard that he was about to get out, Shang Jun turned his head and met Xiu Zhi's warm eyes and softly said, "Xiu Zhi, thank you for what you have done for me these days."

Qin Xiu Zhi shook his head gently; he let out a low sigh, then said with a wry smile, "Between us, is this the only thing left to talk about?"

"No..." The bitterness in Xiu Zhi's words caused Shang Jun to hurriedly explain, "Actually, I..." What is he?! Shang Jun was speechless. Involuntarily, he touched his wrist and felt somewhat terrified as he was the only person who knew what was under the layers of gauze, what could he say to Xiu Zhi?

"Shang Jun, I understand that you and I are both men. Last time I said that I liked you and caused you to feel awkward. I'm sorry, but I am sincere." He didn't want Shang Jun to think that he was playing a child's game, but Shang Jun wanted him to stop talking. His expression was solemn, and he had already given him the answer. So, with his back against the carriage, Xiu Zhi smiled lightly and said in a deep voice, "I understand your intention. I will always be your good friend and only a good friend. Don't worry." Shang Jun had been rescued, so he should also keep his promise and return to Hai Cheng City!

"You... You're really stupid!" He had made a decision that he was a man! Shang Jun was angry, annoyed and helpless in his heart. Xiao Er was right, Qin Xiu Zhi was really a piece of wood!! And it was still square and couldn't move when it was kicked!

Qin Xiu Zhi looked at Shang Jun inexplicably, what did he mean?!

"Master, Young Master Qin, You Feng Mountain is here." The carriage stopped, Yu Feng's voice sounded at the right time, so Shang Jun didn't bother to pay attention to him. He struggled to stand up and got out of the carriage. Qin Xiu Zhi still didn't understand why Shang Jun suddenly said that he was stupid. It was not until Shang Jun got out of the carriage that Qin Xiu Zhi quickly followed.

Shang Jun was covered in white gauze and it was very inconvenient to bend over. Qin Xiu Zhi got off the carriage first and put his hand on Shang Jun's waist, almost carrying him off the carriage. Shu Qing was already standing beside him waiting for Shang Jun, so upon witnessing this scene, a stream of light flashed in her eyes and the corners of her mouth twitched.

Wei Na got off the horse and stood under the towering You Feng Mountain muttering, "You Feng Mountain is so big, where is the place that we are looking for?"

Returning here again, countless of emotions flooded into his heart. As he was squinting and observing for a while, Shang Jun replied indifferently, "The display from the mysterious stone should be the north side of the mountain."

It was getting dark and Shu Qing said loudly, "Then let's go."

Long Yi Hai and Mo Can walked in front, Yu Feng and Wei Xi were in the back, and naturally the wounded person and pregnant women in the middle. Qin Xiu Zhi helped Shang Jun to walk in front, as Shu Qing and Xuanyuan Yi walked slowly behind them. Shu Qing saw that Qi Feng Hua was about to walk towards Shang Jun, so Shu Qing smiled and said, "Feng Hua, come and help me."

Qi Feng Hua was startled; wasn't she protected by Xuanyuan Yi?! But seeing Shu Qing's terrifyingly big belly, Qi Feng Hua still walked towards her and asked, "Older Cousin, where do you feel uncomfortable?"

Shu Qing smiled lightly and replied, "No, I'm fine, I just think it's better for you to be by my side."
